www.divinellamavineyards.com/

Please join us for this exciting event that embraces local artists while showcasing works of art by our own IIDA & AIA members. Come and be inspired! It will be an opportunity for members to socialize, network and compete for prizes. This year's event will be held at the **DADA Center** for the Arts in Winston-Salem as a kick off to **DADA's First Friday Gallery Hop**. The work will remain in place for the month of August.

After a period of socializing, members and guests will be asked to vote for the "People's Choice" award. At the end of the evening cash prizes will be awarded for 1st, 2nd and 3rd place awards for AIA and IIDA works of art. First will receive \$100, Second, \$75, Third \$50, and the People's Choice will receive \$75. Come and enjoy wonderful food, wine and art with members and guests of IIDA & AIA. We are extremely pleased with the variety and the quality of the entries from the three memberships. To the Architects and Designers who submitted, thank you!! You definitely do not want to miss this celebration of art, architecture and design!
