DADA First Friday Gallery Hop!

March is month for drama!!

At the March hop there are new artist receptions, new businesses opening their doors, new artwork in our galleries and more! This Gallery Hop brings visual art, music and drama! Our local theatres have new productions—wait and see. March begins new arts in-education projects for the DADA Collective, and have you seen the list of musicians playing in the Art District this month?

Show your love of the ARTS! Meet **artists and craftsmen** at **gallery receptions**. There are always special events-- enjoy **drums**, live music, **art exhibits**, **shop**, have dinner and **explore the arts** in the *City of the Arts* along with the downtown community!

Did you know that Gallery Hops have been going on for almost 20 years? The pioneer artists built their studios in the empty buildings of businesses that left for other locations.. we have buildings that are part of the historic registry. The Art District was built up through a lot of hard work and long hours. Help to support our DADA Artists and help us keep our free Gallery Hops! DADA first Friday Gallery Hops are sponsored and funded by the Downtown Art District Association- a non-profit organization dedicated to promoting the arts! Help us continue to present these community events by contributing time and money and support our local artists!

Rain or shine (but not ice!) the hop is different every time!!

Gallery Hops are located in Downtown Winston-Salem along Trade, Sixth and Liberty Streets with parking available in surrounding lots. First Friday Gallery Hops are presented

free and sponsored by the Downtown Art District Association New members, volunteers and donations are always appreciated!
